SPEAKING THE TRUTH IN LOVE | SINGING CHRIST-HONORING MUSIC | WORSHIPING IN SPIRIT & TRUTH

September 25, 2023

Dear Pastor,

Thank you for taking the time out of your extremely busy schedule to review the material of the Brian Yeager family. The Yeager's are a solid young family both growing up in Christian homes and served in solid churches. They are well prepared as they both attended a Biblical sound college, which prepared them for service. They have been serving faithfully as teachers in our Academy along with several ministries in our church. They have a servant's heart to reach others using their God-given abilities.

We are excited about the Yeager's shared vision to be sent out from our church to plant several churches around Central Texas. We already are surveying several cities that need a gospel preaching church in their community.

Pastor, I am whole heartedly recommending the Yeager's to you and your church for a meeting to present their burden and ministry with the prospect of support. I believe there will be much fruit from the Lord as we partner together with the Yeager's in this God-given opportunity.

Sincerely,

Pastor Adam Garber
