Dear Pastor,

It is a privilege to recommend Brian and Kaylea Yeager. Kaylea grew up in our church, and from an early age, began serving in various ministries in the church. Her character throughout was impeccable. Brian grew up not too far from us and displayed similar desire to serve at his church. In their time of courtship and in marriage, I have observed two young people who have a genuine heart for ministry and for reaching the lost. Their humility and teachability are attributes that will bode well for them in future endeavors. It is my humble opinion that they are worthy of your prayer and support.

Unworthy But His,
